Interesting News and Facts for the Lehigh Valley Cotillion Dance Club May 2014

The Spotlight Dance

Meet Bill Glose of Allentown PA. Bill has lived in the Lehigh Valley most of his life except for a stint in the US Army. His specialty was Transportation. Bill is our newest member and his first dance was our March 2013 event.

Bill took his Graduate Course at Lehigh University and became the Controller for Lehigh as well as the Treasurer and Controller for Allentown College. He also worked for the Department of Labor & Industry in Employment Services but still found time to teach at the Community College.

Bill first danced as a young boy with his Mother at the Roosevelt Hotel in NYC to the tunes of the original Guy Lombardo Orchestra. That was the start of his Ballroom Dancing. Sadly, Bill lost his lovely wife, Elaine in 2012 and now keeps himself busy occasionally dancing and enjoying his three Grandsons. He is a 33 degree Past Master of the Jordan Masonic Lodge and is still quite active. Bill also participated as a High School Referee for 31 years.

Bill saw one of our dances on King Henry's event listing and called one of our Board Members and joined at his first dance.

We're glad to have Bill and his lovely dancing partners with us.

Announcements

It's getting increasingly difficult to enjoy our Cotillion dances at some of the larger venues. We are seeing increased fees and minimums that we cannot meet as a group so your Board of Directors is diligently searching for new dance venues. If you know of a venue that would be a good fit for one of our dances, please let a board member know or better yet, join us at the next Board Meeting on Tuesday evening, May 20th, and share your thoughts. We are currently booking for our 2015 dances. Now that's what I call "forward thinking"!

We are including a label for our newest member, William Glose. Please place this label in your membership book on page 4.
